

Tabula Rasa HealthCare's SinfoníaRx Named a 2019 Top Company to Work for in Arizona for Fourth Consecutive Year

MOORESTOWN, N.J., June 12, 2019 – Tabula Rasa HealthCare, Inc. (“TRHC”) (NASDAQ: TRHC), a healthcare technology company advancing the field of medication safety and improving health plan operations, today announced subsidiary company SinfoníaRx has been named a 2019 azcentral.com® Top Company to Work for in Arizona for the fourth consecutive year. This highly selective distinction is the result of anonymous and comprehensive employee surveys measuring culture, work environment, leadership, and employee pride and satisfaction, combined with rigorous evaluations of workplace practices, policies, perks and demographics.

“This year, 125 companies were selected based on the results of very high favorable employee survey scores averaging 90% overall survey results and an impressive 91% overall employee engagement. This level of performance for Arizona companies is about three times the national average when compared to Gallup’s recent reporting of US engagement at about 33% favorable”, says Denise Gredler, Founder & CEO for BestCompaniesAZ, program consulting partner. “These winners should be very proud of their Top Companies status, for this presents a powerful opportunity to attract and retain the very best talent.”

“Our people are our priority,” says Sandra Leal, PharmD, MPH, FAPhA, CDE, SinfoníaRx Chief Executive Officer. “SinfoníaRx remains an industry leader in healthcare optimization through the expertise, creativity, and tenacity of our renowned clinical and operational team members. Their impact makes a difference on the lives of millions across the nation. For the fourth consecutive year, the collective focus of the organization on fundamental culture has proven SinfoníaRx to be a Top Company.”

SinfoníaRx’s Top Company distinction follows parent-company TRHC’s own 2019 designation as a “Top Workplace” in the Greater Philadelphia region by the Philadelphia Media Network. “From the very beginning, we set out to be different from other companies,” stated TRHC Chairman, CEO and Founder Calvin H. Knowlton, PhD. “Different in how we treat our clients, different in how we work with each other, and different in the results we achieve. These differences are best captured in the 32 ‘[Fundamentals](#)’ that are the foundation of our unique culture. We call it ‘The TRHC Way’ and the first fundamental is Do the Right Thing, Always. We are proud that the Company also has a Chief Corporate Culture Officer.”

The azcentral.com® Top Companies were honored at an awards breakfast reception on June 12, 2019 and will be published in a special supplement in the June 16, 2019 issue of The Arizona Republic, as well as online at azcentral.com and www.BestCompaniesAZ.com.
